Dear Valued Customer:

Please be advised that the products listed above do not contain as intentional additives Bisphenol A (CAS#'s 80-05-7<sup>1</sup>, 137885-53-1, 27360-89-0, 28106-82-3, 37808-08-5). Based on the information available to us from our raw material suppliers, Bisphenol A is not contained in our raw materials. To the best of our knowledge, this material is not generated during production. Since we do not expect this substance to be present we do not specifically run any analysis on our raw materials or end products to measure for this substance.

As the supplier of the raw material, we cannot make any statement with regard to the extruded or molded components made from this material since this may be process dependent.

If you have further questions please don't hesitate to contact me.

Regards,  
BASF Corporation
