Dear Valued Customer:

This letter is in regards to your request for information regarding the BASF product lines listed above.

Please be advised that based on the information available to us from our raw material suppliers, the current products offered in the product lines listed above do not contain the biocide **Dimethylfumarate** (DMF) (CAS No 624-49-7) as an intentional additive or ingredient.

As the supplier of the raw material, we cannot make any statement with regard to the extruded components made from this material since this may be process dependent.

If you have any questions, please feel free to contact me.

Regards,
