Product Declaration: **Hexabromocyclododecane (HBCDD)**

Products:

Ultraform® Acetal (POM)
Ultrason® High Temp Polymer
Ultradur® PBT Thermoplastic Polyester
ecoflex® Biopolymer
Capron® Nylon

Ultramid® Nylon
Nypel® Recycled Nylon
Petra® PET Thermoplastic Polyester
ecovio® Biopolymer

Dear Valued Customer:

Please be advised that the products listed above do not contain as an intentional additive Hexabromocyclododecane. Based on the information available to us from our raw material suppliers, HBCDD is not expected to be present as an impurity. To the best of our knowledge, this material is not generated during production. Since we do not expect this substance to be present we do not specifically run any analysis on our raw materials or end products to measure for this substance.

As the supplier of the raw material, we cannot make any statement with regard to the extruded components made from this material since this may be process dependent.

Should you have any further questions concerning these products, please contact me.

Regards,

William Robert, CIH
EHS Product Steward
